

1. What is the primary type of vegetation found in tropical savannas?

- A. Trees
- B. Shrubs
- C. Grass
- D. Moss

2. What is the primary type of precipitation found in tropical savannas?

- A. Snow
- B. Rain
- C. Sleet
- D. Hail

3. What is the primary type of climate found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

4. What is the primary type of soil found in tropical savannas?

- A. Sandy
- B. Clay
- C. Loamy
- D. Rocky

5. What is the primary type of terrain found in tropical savannas?

- A. Flat
- B. Rolling
- C. mountainous
- D. hilly

6. What is the primary type of landscape found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

7. What is the primary type of ecosystem found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

8. What is the primary type of biome found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

9. What is the primary type of habitat found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

10. What is the primary type of animal found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

11. What is the primary type of plant found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

12. What is the primary type of insect found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

13. What is the primary type of bird found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

14. What is the primary type of reptile found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

15. What is the primary type of amphibian found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

16. What is the primary type of fish found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

17. What is the primary type of mammal found in tropical savannas?

- A. Tropical
- B. Temperate

- C. Arid
- D. Humid

18. What is the primary type of predator found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

19. What is the primary type of prey found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

20. What is the primary type of scavenger found in tropical savannas?

- A. Tropical
- B. Temperate
- C. Arid
- D. Humid

1. C. Grass
2. B. Rain
3. A. Tropical
4. A. Sandy
5. A. Flat
6. A. Tropical
7. A. Tropical
8. A. Tropical
9. A. Tropical
10. A. Tropical
11. A. Tropical
12. A. Tropical
13. A. Tropical
14. A. Tropical
15. A. Tropical
16. A. Tropical
17. A. Tropical
18. A. Tropical
19. A. Tropical
20. A. Tropical
